The Zonta Club of the Joliet Area is a member of Zonta International, a global organization of professionals committed to empower women worldwide by improving the status of women at the global and local levels through service and advocacy. Through our fundraising efforts, we provide grants and have contributed monies to local agencies such as:

- Bridges to a New Day
- Easterseals Joliet Region
- Spanish Community Center
- Warren Sharpe Community Center
- Will Grundy County Medical Clinic

We also present scholarships for local graduating high school seniors to attend college along with our endowment scholarship at Joliet Junior College.

Our international fundraising efforts go towards protecting the human rights of women and girls as well as improving their legal, economic, educational and health services in developing countries.
